AGENDA:

Members of the public are invited to attend and participate in a public meeting to be held exclusively by ZOOM video conferencing, at which the Town will present the Belmont Cemetery Preservation Master Plan, a Community Preservation Act Project.

The Cemetery Commission and DPW have engaged the services of Kyle Zwick Associates, a specialized landscape architecture firm, to study the historic features, both natural and manmade, at Belmont Cemetery, with the goal of developing a plan to help maintain, preserve and enhance Belmont's historic cemetery.

Now is the time to share what has been learned and gather valuable comments from the neighbors, residents and community groups and committees who are working on behalf of our community.

The Draft of the Belmont Cemetery Preservation Master Plan can be found on the Town website, <https://www.belmont-ma.gov/cemetery-commissioners>
