| Town/City | Project | Description | Amount | Status |
|------------|--|--|-----------|-------------|
| Barnstable | Replacement of church cupola | | \$134,281 | In progress |
| Boston | Eliot Church Stone Step Restoration | Restore corner stairs to the building | | |
| Boston | Roxbury Presbyterian Church Exterior Restoration | Restore doors and roofing over entrances to complete exterior restoration of historic Roxbury building. | | |
| Boston | Emmanuel Church Exterior Entrance Restoration | Restore exterior entrances on Boston Landmarked building in historic Back Bay neighborhood. | | |
| Boston | Arlington Street Church | Restoration of masonry and stairs which constitute the main entrance | | |
| Boston | First Baptist Church Tower | The repair of structural components and restoration of sections of the roof of the 176' tower and church | | |

| | | | | |
|--------|---|---|--|--|
| Boston | Hyde Park SDA | Partial restoration of the First Congregational Church of Hyde Park, replacing roof, doing exterior masonry work, and restoring wrought Iron fence. | | |
| Boston | St. James African Orthodox Church - Acquisition & Repurpose | Complete the purchase and stabilize the former St. James African Orthodox Church, a frame structure built in 1910. | | |
| Boston | Charles St. AME Church | Repoint the Roxbury pudding stone that makes up the surround of the building. | | |
| Boston | Old West Church Tower | Complete tower preservation, made urgent by deterioration | | |
| Boston | Second Church Dorchester in Codman Square | Repair of several critical building envelope issues, specifically focusing on restoration of the 213-year-old building's severely deteriorated steeple, for this Federal-style 1806 meetinghouse structure. | | |
| Boston | Eliot Congregational Church | Repointing of exterior masonry walls, reconstruction of retaining walls, and selective repair of slate roofing. | | |
| Boston | First Parish Church Dorchester on Meeting House Hill | Removal and restoration of the large Palladian facade window to complete restoration of the historic clear-glass windows of the 1897 Colonial Revival structure | | |
