To Whom It May Concern:

We are writing on behalf of Jonathan and Karla Bays, our neighbors at 480 Pleasant Street, to express our support for their proposal to renovate their home by removing the existing covered side entryway and constructing a new enclosed side entryway in its footprint. Jonathan and Karla have shared the drawings of the proposed work, and we feel it is in keeping with the existing house and character of our historic neighborhood.

We understand that in order to renovate the exterior of their home, they will need approval for the Historic District Commission (HDC) and we urge you to grant this approval.

Thank you for your consideration.

Sincerely,

Abigail Klingbeil
