Call to Order

The meeting was called to order at 7:35 PM.

Discussion of FY 22 School Department Budget and Warrant Committee Report

Prior to discussing the Education Subcommittee chapter in the Warrant Committee report, we had a brief discussion on the Q3 School Department financial results, which were not discussed at the April 27th joint meeting with the Finance Subcommittee. We also briefly recapped the discussion on the FY 22 budget from the April 27th meeting.

The group reviewed and discussed the various components of the Education Subcommittee's chapter on the School Department budget for the Warrant Committee report. After having various members of the subcommittee offer feedback on the various sections of our chapter, the group agreed that everyone would get their revisions of their sections of our report to Jack and he will compile them into a unified chapter to send to Laurie Slap.

In addition to the foregoing, Jack will send an e-mail to John Phelan and Tony DiCologero with our questions regarding the current enrollment by Belmont students in the Minuteman and Medford vocational educational schools/programs, as well as how FY 21 costs for those students compares to what was budgeted. Jack will also make sure that he sends the questions that we previously formulated regarding the FY 22 budget details to Tony.

Adjournment

The meeting was adjourned at 9:33 PM.
