- I. Review letter from the Belmont Retirement Board to the Warrant Committee dated, August 30, 2021, pertaining to the pension section of the Warrant Committee Report on the FY22 Budget

The Committee discussed each point from the letter and then discussed the nature of the Committee’s response to the Retirement Board. The Committee agreed that it will draft a response and review and approve it at the next meeting of the POD Committee. The Committee will send that response to the full Warrant Committee and the Select Board. The Committee may elect to send the response to the full Town Meeting, mainly because the Retirement Board sent its letter to the full Town Meeting.

- II. Adjournment.
