This matter came before the Board of Appeals ("Board") of the Town of Belmont ("Town") acting as Variance and Special Permit Granting Authority under the Zoning By-Law of the Town of Belmont, Massachusetts ("By-Law") and Chapter 40A of the Massachusetts General Law ("Zoning Act"). The Applicant Ara Barsoumian, a developer and current property owner of 240-242 White Street, located in a General Residence (GR) Zoning District requests One (1) Special Permit under §1.5 of the Zoning Bylaw to construct a one story rear porch with a deck above.

The Board held a duly noticed public hearing on the proposal on July 13, 2020 conducted via ZOOM videoconference (in connection with current restrictions regarding social distancing in connection with COVID-19). The Applicant, Ara Barsoumian proposes to construct a 24' by 10' porch with a deck above.

The applicant had submitted for the Board's review architectural drawings prepared by Harout Kelian, architect, dated 4/14/2020, a plot plan and a zoning checklist dated 4/17/2020.

§1.5.4 A. of the Town's Zoning By-Law provides that the Board may issue a Special Permit to reconstruct, extend, alter, or change a nonconforming structure "only if it determines that such reconstruction, extension, alteration, or change does not increase the nonconforming nature of said structure or create a new nonconformity and shall not be substantially more detrimental than the existing nonconforming structure to the neighborhood and that it shall be in keeping with the character of the neighborhood in which it is located."

During the hearing 2 abutters spoke in favor of the proposal and the improvements made to the structure. No one spoke in opposition.

Case # 20-24
Address: 240-242 White Street

The Board deliberated on July 13, 2020. The relief sought is for one (1) Special Permit. A special permit is required for any modification to residences in a General Residence Zoning District. The proposal was considered by the Board. The Board found that the proposed alteration does not substantially increase the non-conforming nature of the structure or create a new nonconformity. The Board concluded that the proposed alteration is not substantially more detrimental to the neighborhood than the existing non-conforming structure, and that the proposed alterations are in keeping with the character of the neighborhood in which the property is located.

Accordingly, upon motion made by Teresa McNutt and seconded by Andrew Kelley, the Board voted 4-0 to grant the Special Permit as requested.

For the Board,

CERTIFICATION BY TOWN CLERK

I, Ellen O'Brien Cushman, hereby certify that twenty (20) days have elapsed after the decision was filed in the office of the Belmont Town Clerk on July 24, 2020, and further I certify that no appeal has been filed with regard to the granting of said One (1) Special Permit with Zero (0) conditions.

Statutory appeal periods, and thus the issuance of Certificates of No Appeal, have been temporarily affected by Court Standing Orders, available at www.mass.gov/guides/court-system-response-to-covid-19. Applicants, abutters and interested parties should consult the Standing Orders to determine their next actions. Any decision by a permit holder to proceed is at their own risk, and the permit holder is urged to consult their own legal counsel.

Under Section 17 of Chapter 53 of the Acts of 2020, the requirement to record permit decisions with the Registry is suspended for so long as the Registry is "closed or subject to rules and procedures restricting public in-person access." However, such recording will still be required upon the full reopening of the Registry. The Middlesex County Registry of Deeds continues to accept filings by postal mail during this period, and permit holders are requested to file for recording through this method to the extent possible.
